[OR CZARA Meeting Planning 3.14.13.docx](#)

This is a check-in for us to regroup on OR CZARA and plan on meeting. Jayne, we'll get you up to speed!

Here's something I put together, which would be good for us to talk about. It's basically what I think are the goals for our meetings and what we have to do in between. Also, I thought it would be good for us to think about what we're briefing Dennis on to help organize our thoughts!

Here's what I have so far - this is a starting point and also written from the planning perspective side vs. content, but I wanted to make sure we knew where we were going so we can give Dennis, Dan, and Christine what they need.
